Maths Week 10

Weekly focus: Time / Using timetables

Success criteria:

- I can answer simple questions which involve interpreting information in timetables
- I can use a timetable to work out simple durations and start and finish times
- I can create my own timetable to show how I or others organise my/their time

Key learning points:

1. Children should know the difference between am and pm times

2. Timetables are used to help people organise their time. How many timetable types can your child mention? work rotas, bus, train, ferry, plane, TV guides, classroom timetable
3. Timetables will often use the 24 hour clock to save confusion between am and pm times
4. To change a time into the 24 hour clock, add 12 to the hour if the time is pm

A game to try this week:

http://www.skool.com.eg/english/skool_bundle/content/primary/maths/24_h_our_time/index.html Teaches conversions between 12 and 24 hour clock

Worksheets to complete: ppm 198 (x2)

Workbook pages: Timetables (x3) Wakey Wakey, Motorboat Timetable (advanced level)

Afternoon	Computer Lesson	Swimming	Craft Lesson	Dancing Lesson	Piano Lesson	Go shopping	Visit grandma
Evening	Study	Study	Study	Study	Go to the cinema	Have dinner in a restaurant	Play computer games

Read Lisa's timetable and answer the questions:

1. When does Lisa go swimming?

2. How many days per week does Lisa go to school?

3. What does Lisa do on Saturday afternoon?

4. When does Lisa visit her grandma?

5. On which day does Lisa play music?

6. How many days a week does Lisa study?

Planning time

Match each picture to its best description by writing the matching number.

1. I use this to help me plan my week ahead.
2. I use this to work out days or dates in the year ahead.
3. This reminds me what I must do during one day.
4. I use this to help me plan what to watch in an evening.
5. I look at this when I need to know what date it is today.
6. I have this on the wall to help me plan events this month.

What other types of calendar or timetables can you use to plan your time?
Write your answers on the back of this sheet.

I can say how different calendars and timetables can be used

- Nouns, adjectives and verbs
- Select the nouns, verbs and adjectives in the story

In the passage below, underline the NOUNS in **blue**

Underline the VERBS in **red**

Underline the ADJECTIVES in **green**

One day a small brown bear was walking slowly through the woods. He was sad because he had lost his soft teddy. He lost it yesterday when he was running quickly through the dark wood. He had been jumping over small stones, big logs and wet puddles. He was now looking for his teddy. He looked under big bushes, tiny twigs and behind tall trees. He lifted up heavy stones and moved tiny pebbles, but still no teddy. After lots of looking he saw a very wet and dirty teddy sat in a big puddle. The small bear was very happy and skipped home with a huge smile on his face.

Writing Activity - Write a PERSUASIVE letter to Mr O'Neill or to the Education Minister to explain why you think children should / should not return to school in September.

Remember to support your view with evidence and to use persuasive language. You should think about : class sizes, classroom size, 2m social distancing, cleaning the school, your learning and education, friendships,

You can email me your letter or send a photo of it to dkelly273@2cken.net
I would love to hear your opinions on this issue!

W.A.U Week 10

This week in school we would have been celebrating Sports Day. Usually, we would be outside in the sun getting ready to participate in our races and the P4 GAA challenge.

This year, we don't want you to miss out so Mrs McMullan has organised a video of games/ drills you can take part in at home. Video or photograph yourself taking part and send them to Mr O'Neill or myself so we can add them to the school website.

ACTIVITY 1: For WAU this week, I would like you to draw a poster persuading people to take part in our virtual sports day.

Remember when we were working on **persuasive** letters and posters in Term 1? We had to think of **exciting** words and phrases to use which would **encourage** people to come and visit Ballymoney. This task is similar.

As I have asked you to present your work as a poster - think about what you will need to include.

Ideas to think about:

- When will it be on
- How can people take part
- Why should people take part
- How can people show that they are participating
- Who is allowed to take part
- Where can you find more information about the virtual sports day

##(The above information will be available on the school website from Friday 5th June)##

You can email your poster to dkelly273@c2ken.net

Remember that a poster should be bright, colourful and eye-catching and it usually has a catchy slogan or heading to attract our attention and make us want to read more!

ACTIVITY 2: Design your own game / event to play at sports day next year.

Your sporting event must be suitable for all ages and abilities.

Remember to list all the equipment you will need for your game and write out a clear set of instructions about how to play your game.

You may wish to draw or sketch your ideas and send this to me along with your writing. Have fun and get creative!

ACTIVITY 3: Design your own Sports Day Mascot

A mascot is a person or thing that brings good luck. Design a mascot that will bring you good luck this year on our virtual Sports Day.

Draw a picture of your mascot and describe it. (ideas: you may wish to use the school colours / school crest / St Brigid's cross somewhere in your design.)
