Internet Safety

Keeping it sensible and safe will keep a smile on your face.

What are the rules for staying safe online?

- Don't give out personal information.

- Tell your parents if something makes you feel uncomfortable.

- Don't agree to meet with someone you meet online.

- Never send a picture of yourself to a stranger.

- Only share your passcode with your parents.

- Don't post anything hurtful or rude.

- Check with an adult before downloading and installing software.

How can I use the internet safely in school?

- To stay safe online in school please follow the link to our St. Brigid's on acceotable use if the internet and digital technologies.

- This gives great advice to parents and pupils on how to stay safe online in school.

What should I do if I am concerned?

1 → **2** → **3** → **4**

Stop
- Stop logoff and shut down your device.

Talk
- Talk to someone you trust.

Report
- Report any bullying or/and abuse to parents, teachers or the website.

Plan
- Plan for the future and change your privacy settings.

How can the internet be a good thing?

- We can stay in touch.

- We can make new friends.

- We can learn about the world around us.

- It helps you to stay organised.

- Allows us girls to shop from home.

- Allows us to do things from home during lockdown.

What are the Social Media guidelines.

. Be kind:

Say nice things because you never know who will read what you say.

. Be safe:

know who you are friending and talking to.

Be legal:

Don't download music or images that you didn't pay for.

Be smart:

use positive words to build your online brand.

A note of thanks:

- Thank you for reading my Power Point I hope you feel more safe and secure online now and find doing things online is more enjoyable.
