

Libraries NI have recently gone digital which means that every person in Northern Ireland can set up a free account.

All the information you need is on the LibrariesNI website.

This new account allows members to download magazines and books without any charge at all.

Step 1

Go to the LibrariesNI website by clicking on the logo at the top of this page.

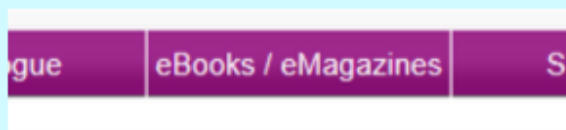

Step 3 (b)

If you do not have a local Library Card/ Number click on the link half way down the page which says...

"If you don't have a number we can give you one now."

Step 2

Click on the Ebooks/Magazines link at the top of the LibrariesNI home page

Step 4

You will need an app called "Zinio" which lets you read your books / magazines for free.

It is free on your tablet's App Store.

Click on the logo below to download an information sheet (if you need it).

Step 3 (a)

If you have a local Library Card / Number you can click on GET STARTED straight away. Follow the on screen instructions carefully.

Click on the logo above to go to the LibrariesNI website.
